**ORDER**

LEWIS A. KAPLAN, *District Judge*.

By order dated June 5, 2007, the Court noted that the notice of removal was deficient to establish subject matter jurisdiction and timeliness of removal, among other defects, and indicated that the action would be remanded absent the filing of a sufficient amended notice of removal by June 12, 2007. No such amended notice having been filed, the action is remanded to the New York Supreme Court, Bronx County.

SO ORDERED.

Dated: June 19, 2007
